Akido Labs Overview

Prepared by

Prashant Samant
CEO – Akido Labs, Inc

Homelessness Epidemics Mental Illness Chronic Disease Addiction

Our worst problems are the toughest to manage.

Preventing them is the only solution.
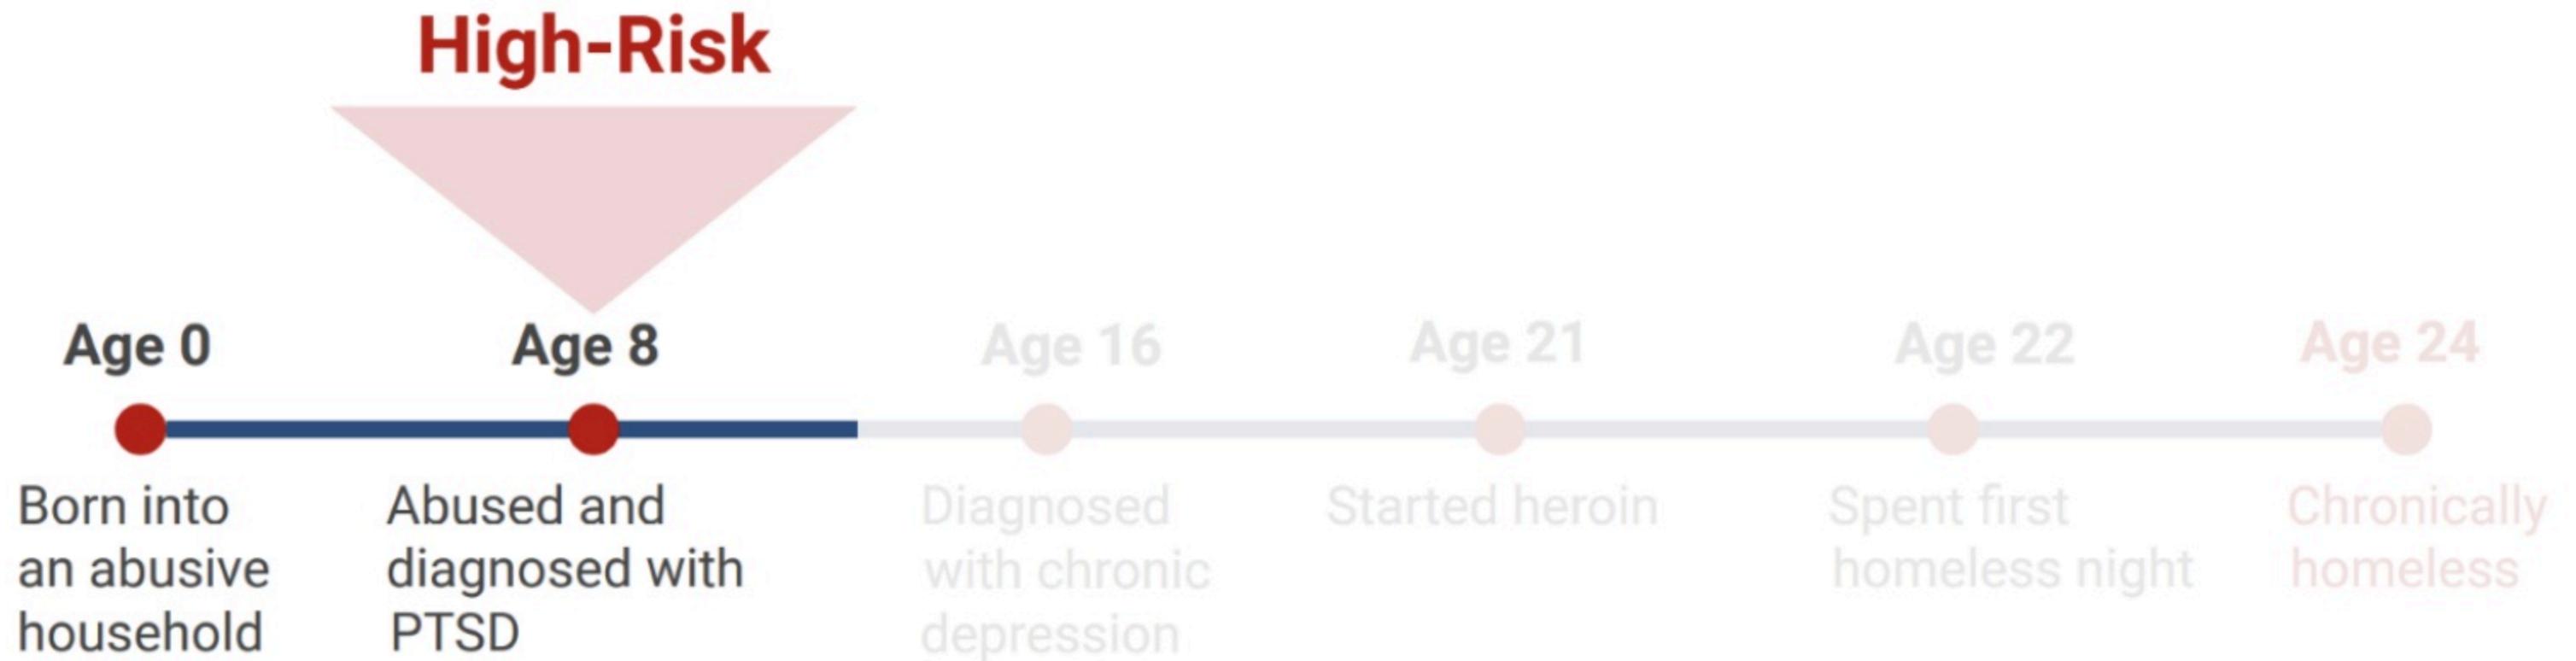

Jane Doe

26 years old

Homeless in LA since 24

Life expectancy of 42

Jane's path to homelessness started at birth

Age 0

Born into an abusive household

Age 8

Abused and diagnosed with PTSD

Age 16

Diagnosed with chronic depression

Age 21

Started heroin

Age 22

Spent first homeless night

Age 24

Chronically homeless

But Jane was technically high-risk at age 8

High-Risk

Age 0	Age 8	Age 16	Age 21	Age 22	Age 24
Born into an abusive household	Abused and diagnosed with PTSD	Diagnosed with chronic depression	Started heroin	Spent first homeless night	Chronically homeless

"Won't A.I. Solve This?"

Not Yet...

Problem:
Organizations struggle to use data effectively

Data to power meaningful analyses is trapped
in outdated healthcare & municipal silos
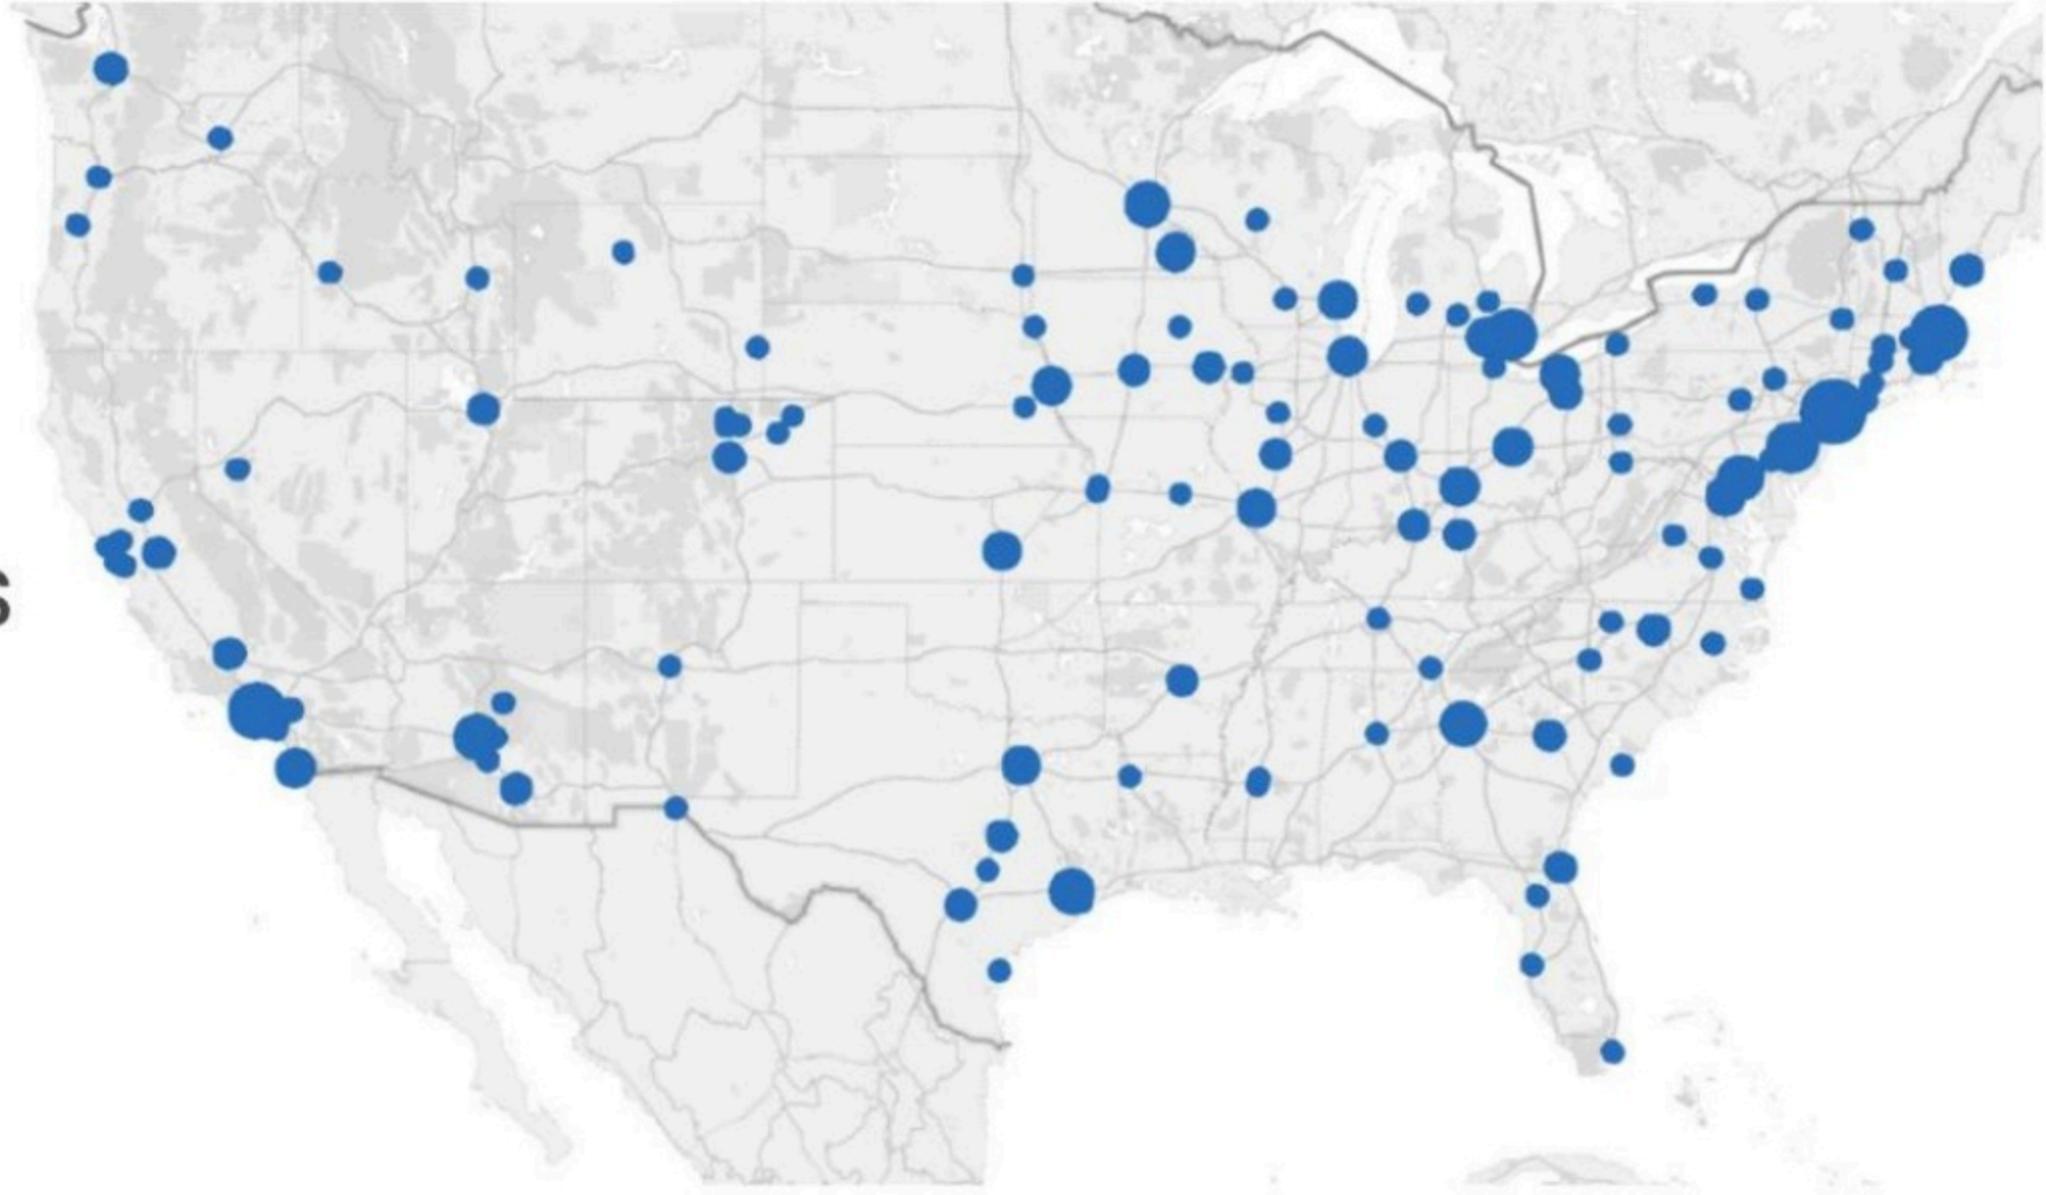

Firewalled &
behind red tape

Fragmented across
silos

Non-standard

Akido is a data-driven prevention company

100+
Metros

600+
Local services

300%
YoY growth

Built for Secure Data Sharing with high-priority and proactive health programs

# Case Study: Los Angeles County

--→ **Goal**

- Dramatically scale LA County's ability to cover larger areas for testing, contact tracing, and vaccination of the homeless population (800+ staff)

--→ **Implementation**

- Analytics, Predictive Analytics to predict COVID-19 outbreaks

- Field Outreach and Case Management to contact trace and manage testing/vaccination

--→ **Outcomes**

- Vaccination #s: 12,000+

- Testing #s: 30,000+

- 50x increase in territory coverage

Akido supports a broad range of targeted health and wellbeing programs

City of Santa Monica — Coordinating care for the chronically homeless

POLARIS — Improving services for people with disabilities

QPi QUALITY PARENTING INITIATIVE — Increasing welfare for foster children and youth

Akido was founded by the creators of the University of Southern California D-Health Lab
