An aerial photograph of the Manhattan skyline at dusk. The One Manhattan Square building, a tall, modern skyscraper with a perforated facade, is the central focus, glowing with warm light. The surrounding city is densely packed with buildings, and the East River is visible in the foreground with the Manhattan Bridge and a baseball field. The sky is a deep blue.

EXTELL

“We have always been committed to providing our residents with thoughtful amenities and services that genuinely speak to their needs. Even more so today, we are compelled to offer a safe and seamless living experience and our exclusive partnership with Avo provides just that for our residents.”

- Rebeca Park, Director of Lifestyle Services,
One Manhattan Square

“Avo is an extraordinary perk for our employees. The combination of exceptional service, convenience, and speed make it a great asset for helping save employees time and cultivate a better work-life balance for our teams.”

- Einat Baharav, Employee Experience Lead, KPMG (Tel Aviv Office)

The background of the image shows the entrance of a KPMG office. The KPMG logo is prominently displayed in blue and white above a set of glass double doors. Through the glass, a person in a light blue shirt and dark pants is seen walking up a set of stairs. The interior of the office is visible through the glass, showing a modern, well-lit space with recessed ceiling lights.

KPMG

“The Avo team had delivered well beyond our expectations. The level of service to our residents, especially in this critical time of need, is above and beyond. Our community is extremely grateful that they now have AVO to count on for their needs.”

- William Flemm, General Manager, Galaxy Towers

Good evening,

First I want to thank you guys for bringing AVO into our building. Avo has been a blessing to me personally because not only they have literally everything you might be looking for. They offer expectational customer service. "What is a good company with lack of customer service, for me NOTHING". There is always someone there to assist via phone or email within the hour or less. I personally feel extremely happy when I get a text stating that whatever I ordered isn't available and they automatically offer a replacement in your order and states if that doesn't work for me to let them know. In general I LOVE AVO AND IT'S BEEN A GAME CHANGER FOR ME!

- Linda, Resident, House39
