Ed-Fintech Platform

We finance, train and place job seekers in tech and beyond

*"Edtech meets SaaS [and fintech] in Careerist's job placement learning platform" - **Techcrunch***

2023

OUR AMBITION:

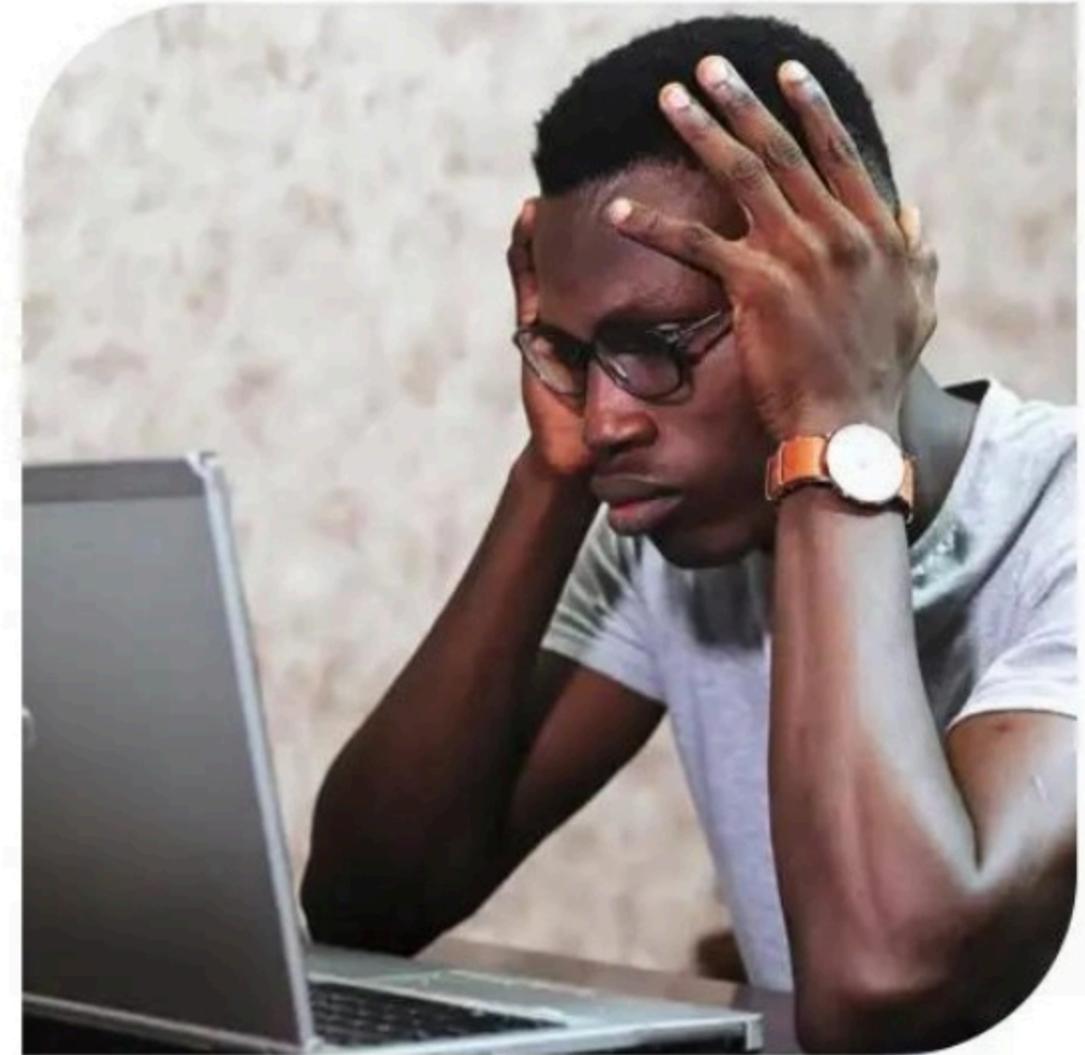

**Finance, train and place millions of
job seekers in the US tech and beyond**

Problem: Job market is broken

Issues for junior and mid-level job seekers:

- ✗ **No job-specific skills**
to pass interviews
- ✗ **Hundreds of job applications**
and rejections while job hunting
- ✗ **Not enough capital**
to pay for high-quality, job-specific training

Solution

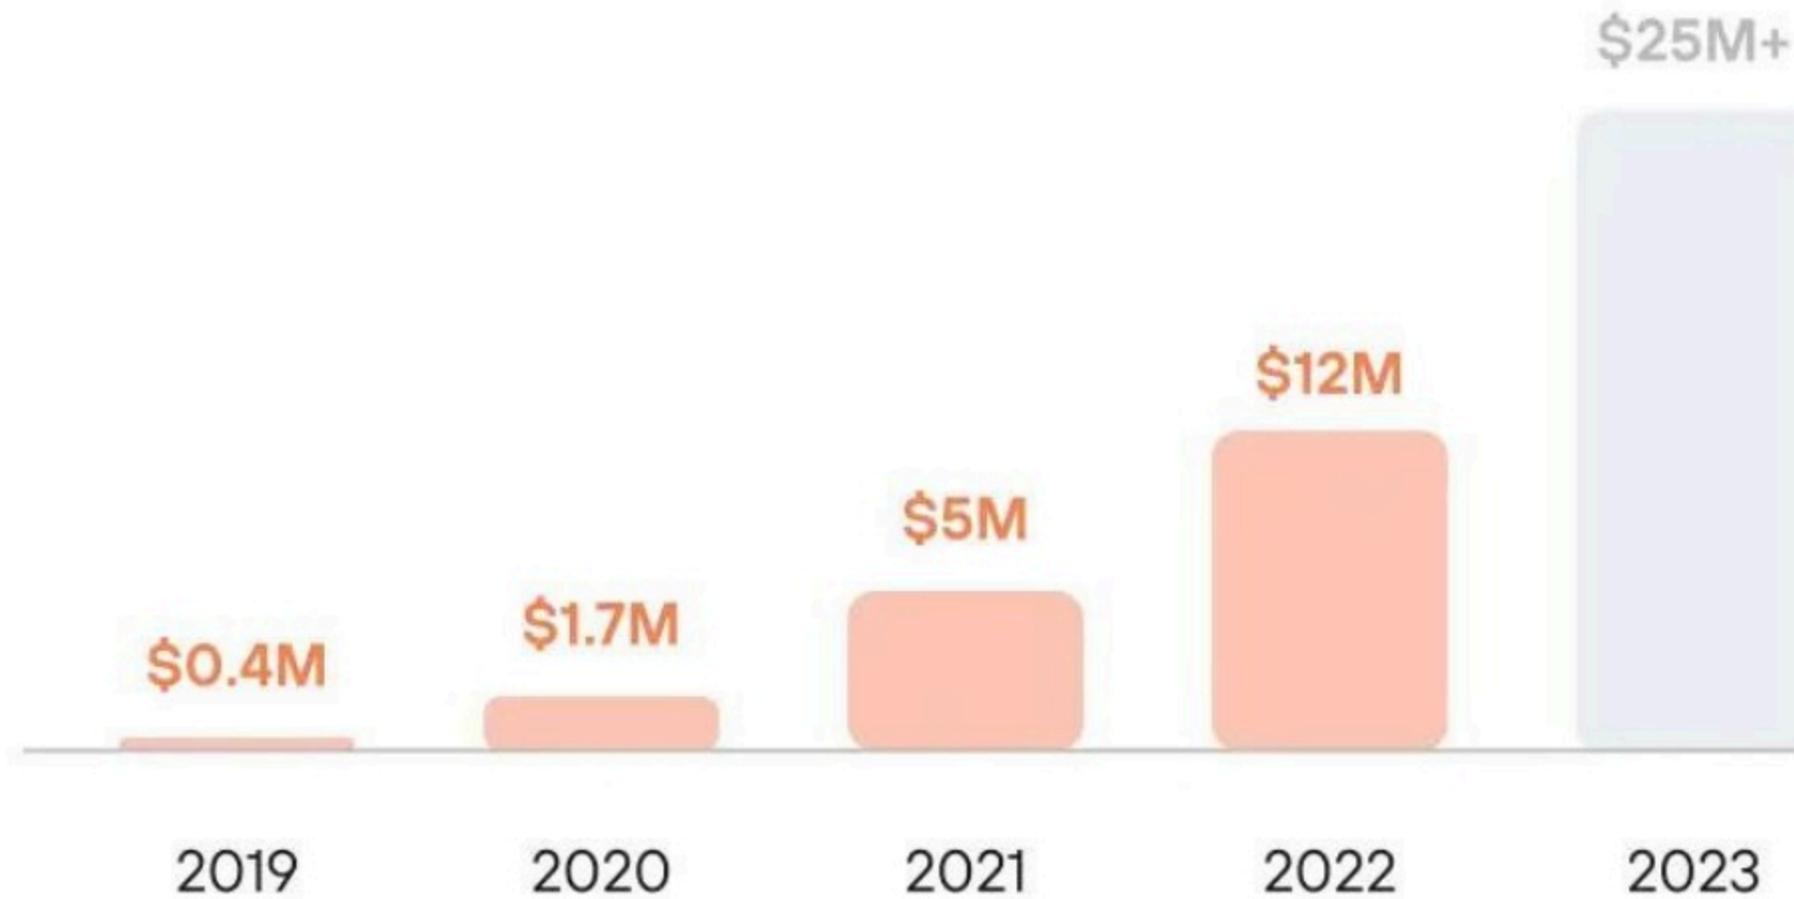

Edtech meets fintech:

- 1 Learning Marketplace ✓ Automated training via our LMS software and freelance tutors
- 2 Job Application Software ✓ Automated job hunting for job seekers, recruiting fees for employers
- 3 Financing ✓ Loans, deferred tuition plans, FinOps, underwriting with our own data, collections

Traction: Growing 250% YoY while profitable

Yearly cash revenue

~\$2M in monthly revenue and
~\$500K in monthly EBITDA

Traction: We've already helped 1,000+ diverse job seekers get jobs at Fortune 500 companies and beyond

Acquisition channels and network effect

Careerist's main acquisition channels are organic traffic and low-cost referrals. This proves a big network effect that will grow and scale as more clients will eventually bring even more referrals.
