Apply for small loan to upgrade his equipment

THE PROBLEM

A day in the life of a field pro

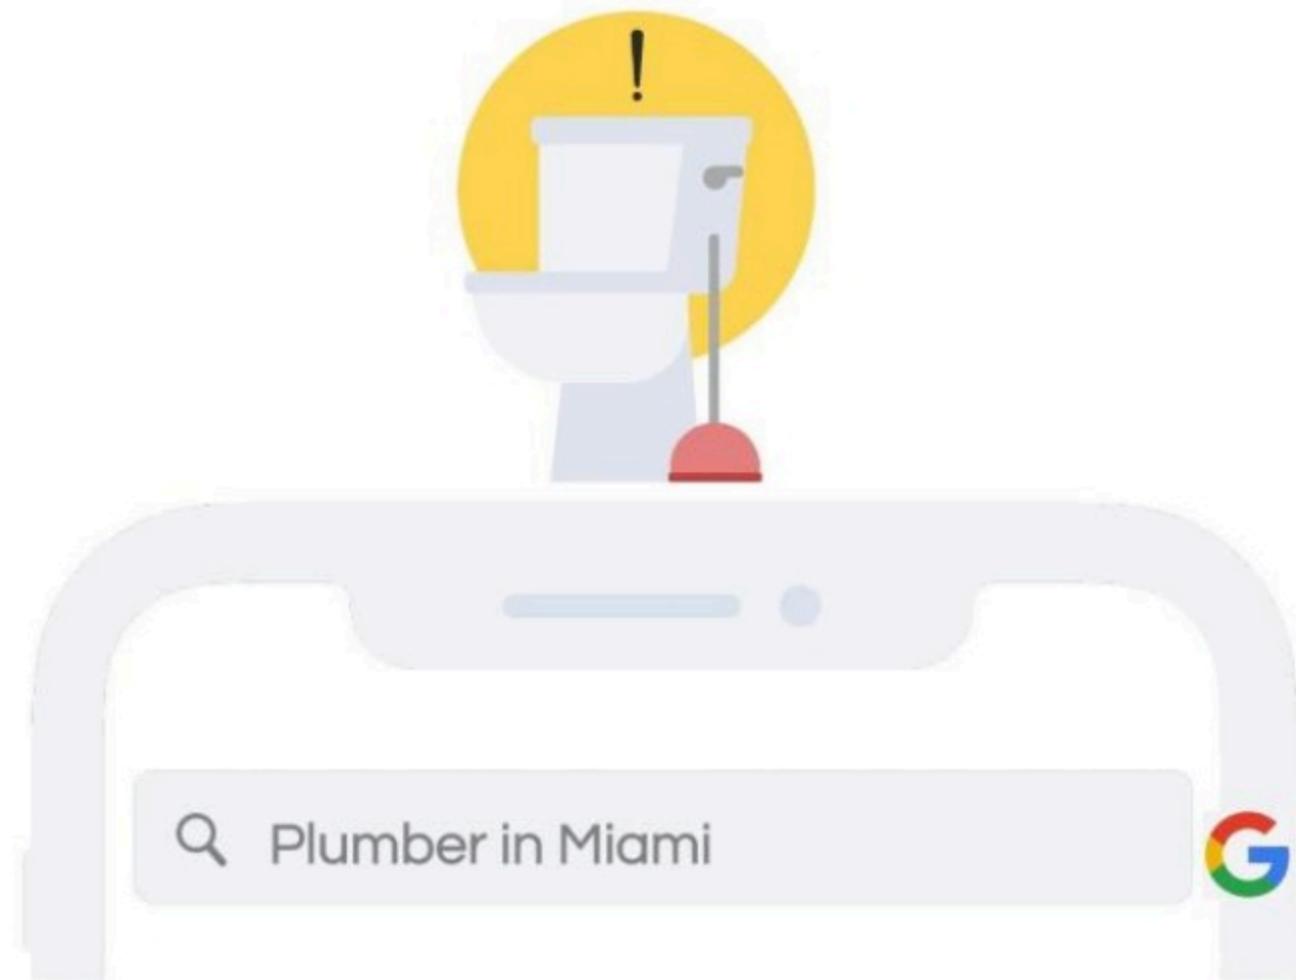

THE PROBLEM

**What they want to do:
Their actual job**

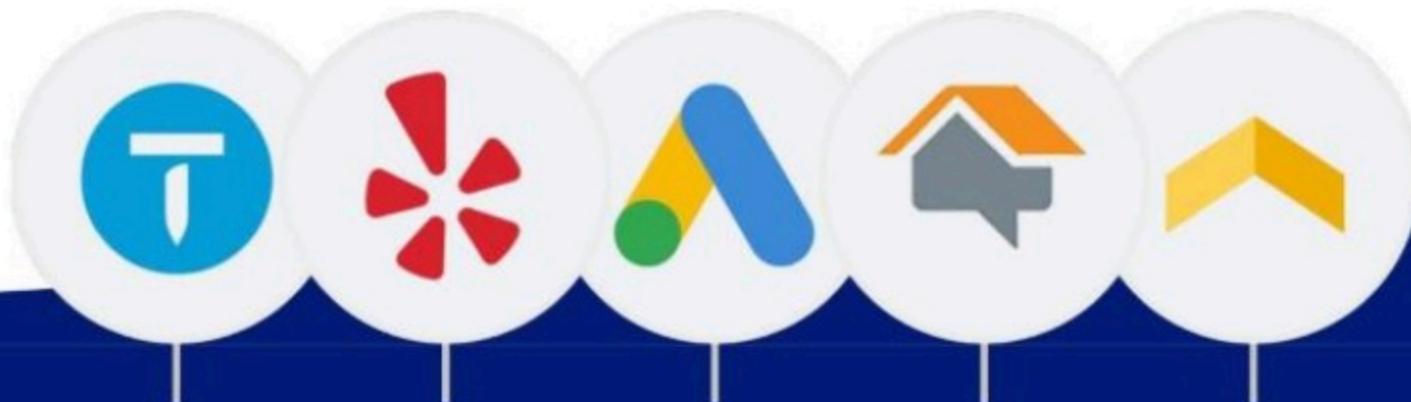

- Repair a fridge
- Unclog a toilet
- Install a new garage door
- Unlock a car

THE PROBLEM

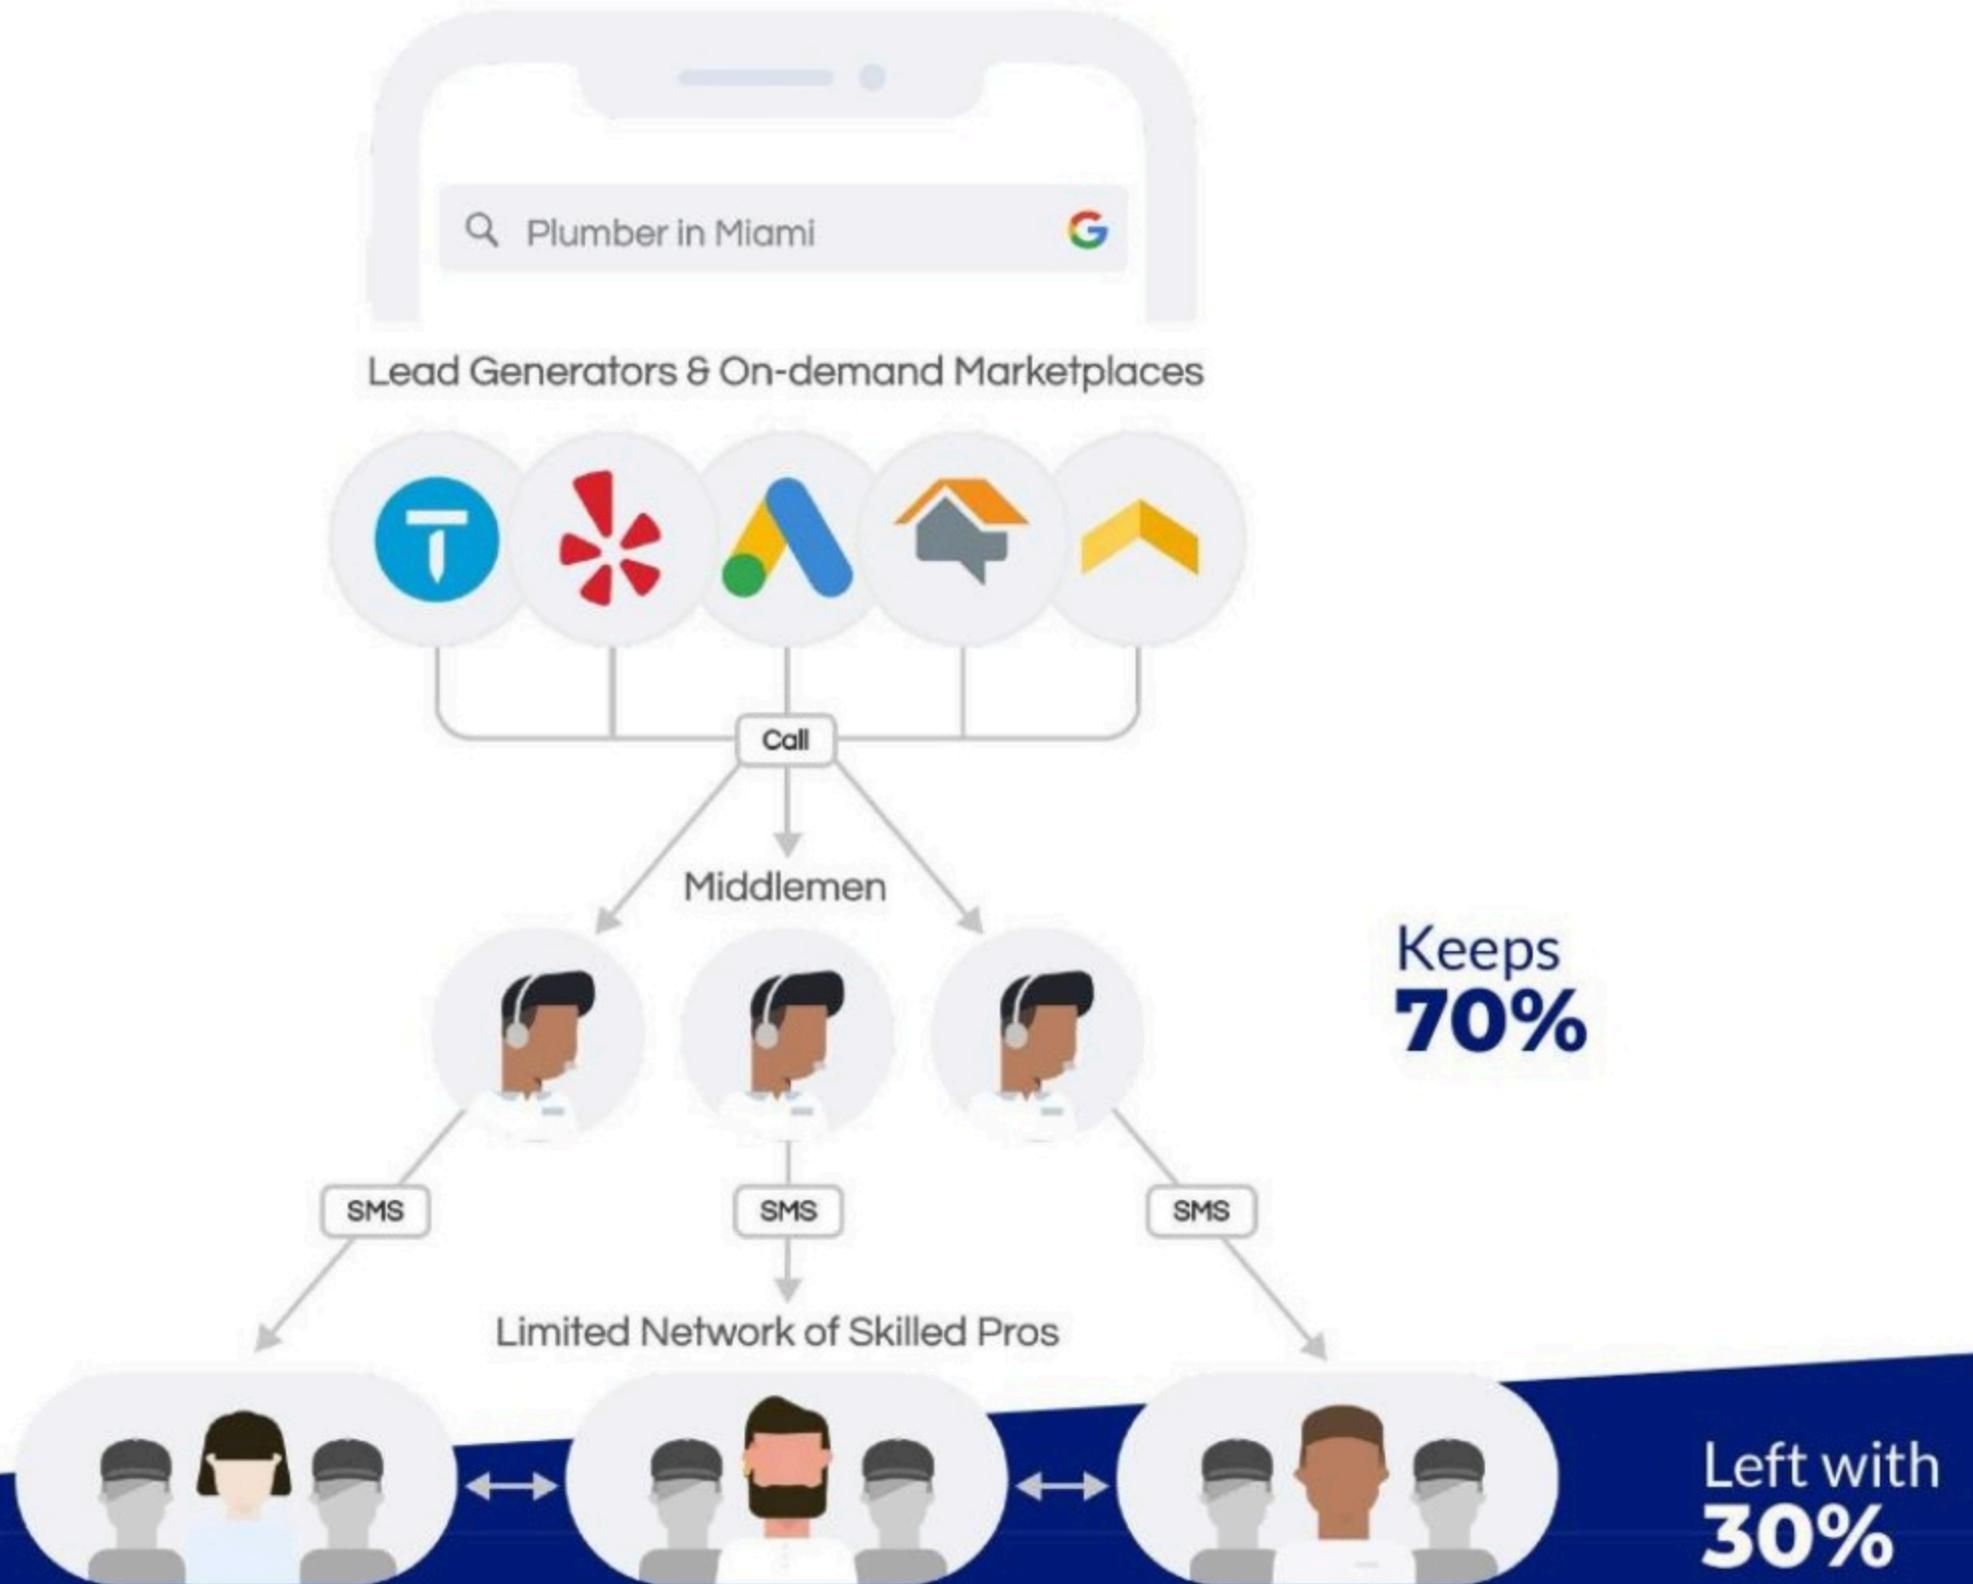

Lead Generators & On-demand Marketplaces

THE PROBLEM

Pros pay high fees

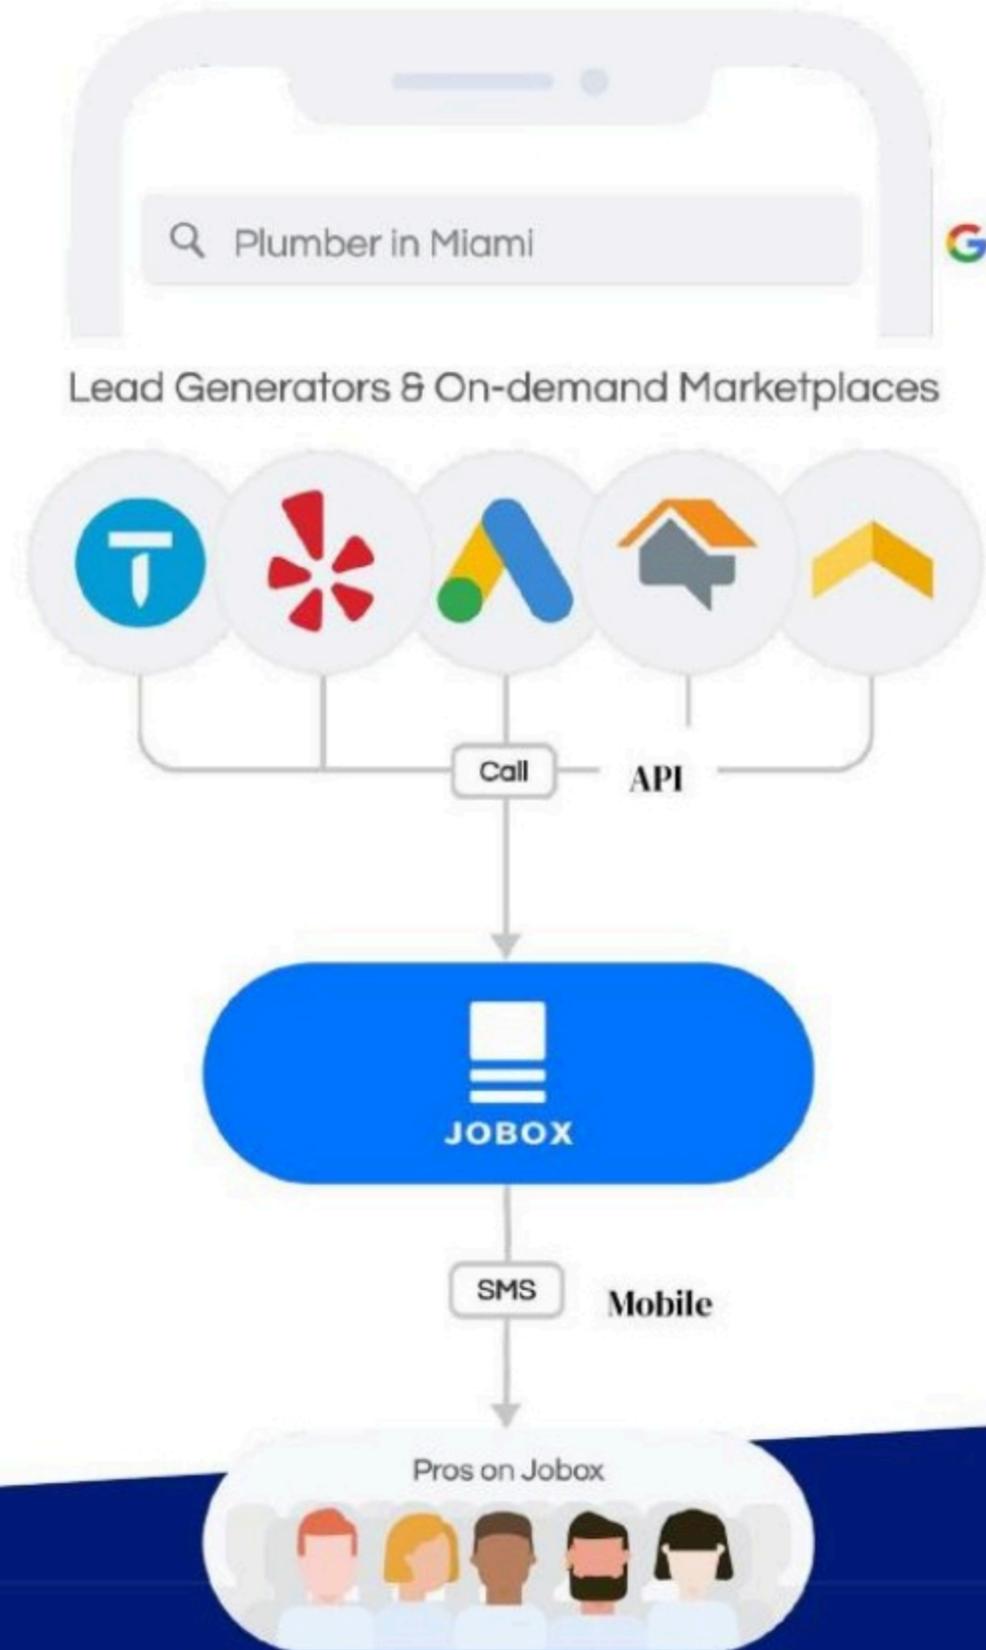

Whether or not a job is closed.

OUR SOLUTION

We send pros the right jobs. And we do it for free.

We send **jobs** to our pros based on real time location, skills set, availability and other variables. And we also provide them with all the tools they need to manage these jobs with ease.
