Drone Operations Management

400.000 commercial
drones in 2035

European Drones Outlook Study

Unlocking the value for Europe

A drone is shown in flight on the left side of the image, positioned in front of a tall, modern glass skyscraper. The entire scene is overlaid with a semi-transparent blue filter. The drone has four arms and a central body with a camera mounted underneath. The building's facade is composed of a grid of white structural elements and large glass windows.
