Reverse Jobs Board

- Skills
- Support
- Launch
- Rally

The screenshot displays a 'Reverse Jobs Board' interface. On the left, a blue sidebar contains a list of categories: Skills, Support, Launch, and Rally. The main content area is a grid of job listings. Each listing includes a profile picture, a name, a title, a brief description, and a location. To the right of each listing is a blue button with a plus sign and a number. Below the job listings, there are sections for 'Featured Courses' and 'Courses'. The 'Featured Courses' section includes a course titled 'Master Craft' with a small image of a person. The 'Courses' section includes a course titled 'Cook' with a small image of a person. The interface is clean and modern, with a white background and blue accents.
