Core Tech: AI engine to deliver quality software at scale

The screenshot shows a project management interface with a dark blue background. At the top left, there is a profile picture of Gabriel and the name 'GABRIEL'. The main heading is 'Cross platform Stellar App'. Below this, there are two cards: one for 'Development' with a purple-to-orange gradient and another for 'Design' with a yellow-to-orange gradient. A sidebar on the left contains a 'WORKSPACE' section with a globe icon. The main content area features a 'Stellar App SOW' (Statement of Work) card with a white background and blue header. To the right, there is a chat window with a profile picture of 'Nash Agnew' and a purple header. The interface includes various icons, buttons, and a vertical timeline on the left side.
