The screenshot shows the Lexyom website interface. At the top, there is a navigation bar with the Lexyom logo on the left and links for 'Find a Lawyer', 'Legal Services', 'Resources', 'For Lawyers', 'Login', '\$00', and a search icon. The main content area features a large hero image of a man in a white shirt in a modern office setting. Overlaid on this image is the text 'Hire a great lawyer for you' and 'On demand legal services to save time and money'. Below this text is a prominent orange button labeled 'Find a Lawyer'. At the bottom of the hero section, there are two columns of text. The left column, titled 'Find a lawyer', includes a magnifying glass icon and text stating that users can search for lawyers and contact them from anywhere, with all lawyers being verified through a thorough screening process. The right column, titled 'Talk to a lawyer', includes a telephone icon and text stating that users can get a phone call back from a lawyer in as little as 20 minutes.
