The Story of Immigration

Senator Maria K. Wilson, from Japan to Honolulu, Hawaii

Age 67, U.S. Senator
Arriving in Hawaii with one of a few last remaining few distinctly new "immigrant" things on the ship coming over taking a stroll. In Japan we only took bath, and eating something we used for the first time in my life.

The Story of Immigration

Senator Mazie K. Hirono, from Japan to Honolulu, Hawaii

Age 67, U.S. Senator
Arriving in Hawaii was kind of a blur but I remember two distinctly new "American" things on the ship coming over-taking a shower, in Japan we only took furo baths, and eating strawberry ice cream for the first time in my life.

Custom maps are hard

```
function createMarkers(places) {
  var bounds = new google.maps.LatLngBounds();
  var placesList = document.getElementById('places');

  for (var i = 0, place; place = places[i]; i++) {
    var image = {
      url: place.icon,
      size: new google.maps.Size(71, 71),
      origin: new google.maps.Point(0, 0),
      anchor: new google.maps.Point(17, 34),
      scaledSize: new google.maps.Size(25, 25)
    };

    var marker = new google.maps.Marker({
      map: map,
      icon: image,
      title: place.name,
      position: place.geometry.location
    });
    placesList.innerHTML += '<li>' + place.name + '</li>';
  }
}
```

Eventbrite Integration

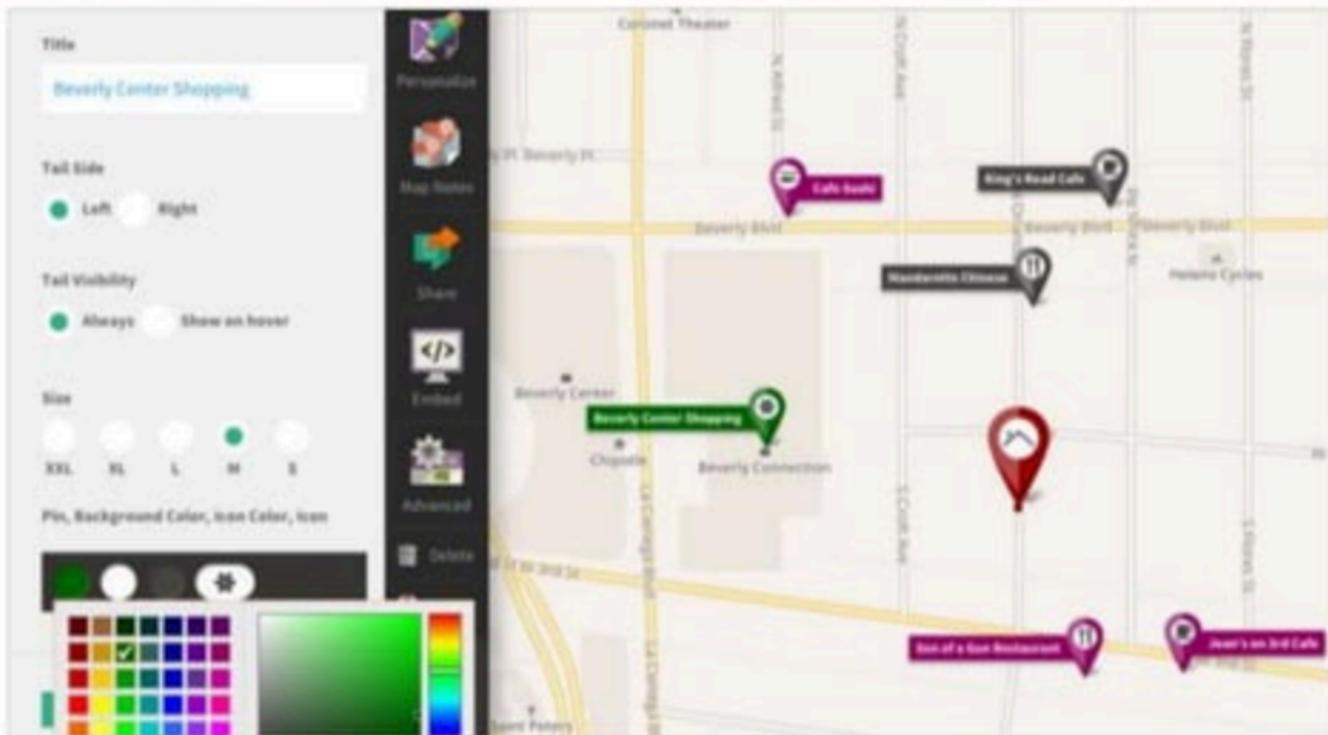

The image shows an aerial view of a San Francisco neighborhood with several event-related markers. An orange location pin with a white cross is placed on a building. Two red location pins with a white 'P' are labeled 'Parking'. A black location pin with a white cross is labeled 'UBER Dropoff/Pickup'. On the right side, there are three stacked boxes: an orange box with the 'Eventbrite' logo, a white box with event details, and another orange box with event information.
