**Coffee Everywhere:
A Generation Speaks**

BY [Author Name]

The coffee house industry has nearly tripled in size, and it's not just for the young. These days, you can find coffee shops in every neighborhood, and it's not just about the caffeine. It's about the atmosphere, the service, and the community. For many, the coffee shop has become a second home, a place where you can relax and catch up with friends. The industry is growing so fast that it's hard to keep up with the latest trends and flavors.

The Natalie Portman, Back in India.

Natalie Portman is back home at the back streets of the busy New York City on Wednesday December 26. The 28 year old actress returned to her hometown for a night.

Coffee Everywhere: A Generation Speaks

By [Natalie](#)

The United States currently relies heavily on coal, oil, and natural gas for its energy. Fossil fuels are non-renewable, that is, they draw on finite resources that will eventually dwindle, becoming too expensive or too environmentally damaging to retrieve. In contrast, the many types of renewable energy resources—such as wind and solar

Lionel Messi Wins 4th Ballon d'Or

2009 — Lionel Messi became the first four-time winner of the FIFA Player of the Year award after shattering the world record with 91 goals last year for Barcelona and Argentina. The 25-year-old won for the fourth straight time, beating Real Madrid's Cristiano Ronaldo and Barcelona teammate Andrea Pirlo in voting announced Thursday. The 91 goals topped Gerd Müller
