

The background is a dark, monochromatic illustration. On the left, a street map shows a grid of buildings and streets. On the right, a street sign is visible, featuring the text 'F-21 Wall ST' and a small 'A' logo. The overall aesthetic is that of a technical or architectural drawing.

**Why are banks
so bad at
building things?**

Banks suck at managing data

Biggest regulatory change in 20 years

Billions at risk

Today's solutions are incomplete

Data aware of its regulations

Data Protection Router

A laptop is shown from a slightly elevated angle, displaying a web-based interface. The interface has a white central panel with various settings and a blue header. The background is a blurred office desk with a glass of water.

Why are banks so bad at building things?

A person in a white shirt is sitting at a desk, writing in a notebook with a pencil. The desk is cluttered with various electronic devices, including a laptop, a tablet, and another laptop. The background is slightly blurred, showing a typical office environment. The text is overlaid on the image in a large, white, sans-serif font.
