The screenshot shows the Bodybuilding.com website. At the top, there is a navigation bar with 'DASHBOARD' and other links. Below that is a banner with the text 'WE CHANGE LIVES'. The main content area features a section titled 'Bodybuilding.com - Why Work For Us?' and a 'BODYBUILDING.COM'S TECHNICAL STACK:' section. This stack section displays various technology logos including AWS, JS, Angular, Node, Redis, PostgreSQL, Docker, and Kubernetes. A red box highlights the 'BODYBUILDING.COM'S TECHNICAL STACK:' section and the 'Why Work For Us?' section above it.

The screenshot shows a LinkedIn profile for Gregory Taylor, a Senior Backend Engineer at Adima, Inc. in the San Francisco Bay Area. The profile includes a 'Connect' button and a bio that reads: 'Fullstack, Linux Enthusiast, frequent speaker (http://stackshare.io/palwright...)' and 'infrastructure'. A red box highlights the bio text. Below the bio, there is a section for 'Jenny Fitzpatrick - Co-Founder, Chief Engineer at JobHero' with another 'Connect' button.

The screenshot shows a dark footer area with navigation links: 'About', 'Blog', 'Pricing', 'Jobs', 'Documentation', 'Terms of Use', 'Privacy', 'Payments', and 'IP'. Below the links is a blue button with the email address 'support@imgix.com'. At the bottom, there are social media icons for GitHub, YouTube, LinkedIn, and GitHub Copilot. A red box highlights the LinkedIn and GitHub Copilot icons.
