buy a present for mom's birthday on friday

day progress today 7 future 20 notes 99 stats

#work

- afternoon conference call with Jill edit reminder
- invoice for the real estate company 7 pm
- thank you note for Hank from the conference today
- show how Basecamp sync works

#home

- get the Paramore concert tickets
- fix the boiler
- find a great place in Europe to spend spring vacation with the family (ask Tim)

Hey, don't forget about 'Thank you note for Hank from the conference'.

Home

here's a tip:

Ran out of tags? To create a new empty tag (e.g. #urgent), just type '#urgent' in the command line and press enter. Pretty great, huh?
