### Key Trends

- Task Completion 🟡
- On-Time Delivery 🟢
- Customer Satisfaction 🟢
- Revenue 🟢
- Market Share 🟢
- Operational Efficiency 🟢

### Overall Status: Positive Business Sustainability

- Market Share 🟢
- Customer Satisfaction 🔴
- Operational Efficiency 🟠
- Revenue 🟠
- Profit 🟢

### Key Sub-trends

Category	Sub-trend
Task Completion	Task-based buffer overflow in the Production Phase 4.
Operational Efficiency	Budget buffer overflow in the Development Phase.
Revenue	Operational sustainability in the New Market Area.
Profit	Operational sustainability in the Core Area 2024.
Expenses	Buffer overflow in the R&D and other expenses.
